Email Account – Display Name

The image shows a screenshot of a software dialog box titled "您的名稱" (Your Name). The dialog box contains the following text and elements:

- Header: 您的名稱
- Instruction: 傳送電子郵件時，您的名稱會出現在外送郵件的 [寄件者] 欄位。請輸入您希望出現的名稱。
- Label: 顯示名稱(D):
- Text: **Display Name**
- Text: 範例: 祝英台
- Link: [如何尋找電子郵件帳號資訊?](#)
- Buttons: 下一步(N) and 取消

Red annotations are present in the image:

- A red box highlights the text "Display Name" in the input field.
- A red arrow points from the "Display Name" box to the "下一步(N)" button.
- A red box highlights the text "Next Step" above the "下一步(N)" button.
- A red arrow points from the "Next Step" box to the "下一步(N)" button.
- A red box highlights the "下一步(N)" button.

New Email Address

網際網路電子郵件地址

電子郵件地址是供其他人傳送電子郵件給您。

電子郵件地址(E):
Email Address
例如: someone@microsoft.com

[如何尋找電子郵件帳號資訊?](#)

Next Step

下一步(N) 取消

Incoming Email Server (POP3) and Outgoing Email Server (SMTP)

The image shows a screenshot of a software window titled "設定電子郵件伺服器" (Set up email server). The window is divided into two main sections: "Incoming Email Server" and "Outgoing Email Server".

- Incoming Email Server:**
 - Label: "Incoming Email Server" (內送電子郵件伺服器類型(S):)
 - Dropdown menu: "POP3" (highlighted with a red box)
 - Text box: "mail.YourDomain.com" (highlighted with a red box)
 - Annotation: "Incoming Email Server: POP3" (red box)
 - Annotation: "Input: mail.YourDomain.com" (red box)
- Outgoing Email Server:**
 - Label: "Outgoing Email Server" (外寄電子郵件伺服器 (SMTP)(O):)
 - Text box: "mail.YourDomain.com" (highlighted with a red box)
 - Annotation: "Input: mail.YourDomain.com" (red box)
- Additional Options:**
 - Checkbox: "外寄伺服器需要驗證(V)" (checked) (highlighted with a red box)
 - Text: "Log on using Secure Password Authentication" (highlighted with a red box)
 - Link: "如何尋找電子郵件伺服器資訊?"
- Navigation:**
 - Button: "下一步(N)" (Next Step) (highlighted with a red box)
 - Button: "取消" (Cancel)

Red arrows indicate the flow of information and focus: from the dropdown menu to the text box, from the text box to the next text box, and from both text boxes to the "Next Step" button.

Email Login

網際網路郵件登入

輸入網際網路服務提供者給您的帳戶名稱與密碼。

電子郵件使用者名稱(A):
Account Name

密碼(P):
Password

記憶密碼(W)

下一步(N) 取消

Input: Your Full Email Address

Input: Your Email Password

Remember the password

Next Step

The image shows a web browser window with a login form. The form has three main input areas: a text box for the email address containing 'YourEmailAddress@yourdomain.com', a password box with 12 dots, and a checkbox labeled '記憶密碼(W)' (Remember password) which is checked. At the bottom right, there are two buttons: '下一步(N)' (Next Step) and '取消' (Cancel). Red arrows point from external text boxes to these elements: 'Input: Your Full Email Address' points to the email address box, 'Input: Your Email Password' points to the password box, 'Remember the password' points to the checkbox, and 'Next Step' points to the '下一步(N)' button. The '下一步(N)' button is also highlighted with a red box.

Setup completed

Setup of Outgoing Email Server 1

Setup of Outgoing Email Server 2

Setup of Outgoing Email Server 3

Setup of Outgoing Email Server 4

Outgoing Email Server

The screenshot shows a dialog box titled '外寄郵件伺服器' (Outgoing Mail Server). Under the '登入資訊' (Login Information) section, the radio button '使用與內送郵件伺服器相同的設定(U)' (Use same settings as my incoming mail server) is selected and highlighted with a red box. A red arrow points from this box to the '確定' (OK) button, which is also highlighted with a red box. Below the dialog box, the text 'OK' is written in blue. To the right of the dialog box, the text 'User same settings as my incoming mail server.' is written in blue.

Setup of Email Server (POP3)

Incoming (IMAP) and Outgoing Email Server (SMTP)

The screenshot shows a window titled "設定電子郵件伺服器" (Configure Email Server). It contains the following elements:

- 內送電子郵件伺服器類型(S):** A dropdown menu with "IMAP" selected. A red box highlights this dropdown, with an arrow pointing to a callout box that says "Incoming Email Server: IMAP".
- Incoming Email Server:** A label "內送郵件 (POP3 或 IMAP) 伺服器(I):" above a text input field containing "mail.YourDomain.com". A red box highlights the input field, with an arrow pointing to a callout box that says "Input: mail.YourDomain.com".
- Outgoing Email Server:** A label "外寄電子郵件伺服器 (SMTP)(O):" above a text input field containing "mail.YourDomain.com". A red box highlights the input field, with an arrow pointing to a callout box that says "Input: mail.YourDomain.com".
- Authentication:** A checkbox labeled "外寄伺服器需要驗證(V)" is checked. To its right is the text "Log on using Secure Password Authentication". A red box highlights the checkbox, with an arrow pointing to the text.
- Next Step:** A callout box labeled "Next Step" has an arrow pointing to the "下一步(N)" button at the bottom right of the window.
- Buttons:** At the bottom right, there are two buttons: "下一步(N)" (Next) and "取消" (Cancel). A red box highlights the "下一步(N)" button.
